**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition creates a fair market for consumers and creating obstructions will result in higher prices and corporate greed. Please do not let AT&T and their trade associate USTelecom take away access to critical unbundled network elements. It is not fair to not keep a competitive market for internet and telephone services. I say no to price hikes!!! Stop this bill in it's tracks please do not bend for Big business.
